

# A Month of Kindness

---

Doing good to others definitely warms the heart  
I think the month of December is the perfect time to start!

Each day there is a suggestion for something new to do  
Like opening the door for someone or saying hello to someone new.

The holiday season is not all about presents and toys  
It's about sharing kindness and creating joy.

Join me on this adventure, it is sure to be fun!  
Think of all the kindness that we will have shared when we are done!

This December I invite you to join me on a kindness adventure! Attached you will find a two calendars. One calendar offers suggestions for kind acts you may wish to try each day. The other is blank and waiting for you to fill in your kind acts. After completing your act of kindness each day, record it on your calendar. Return your calendar to school on Wednesday, December 21<sup>st</sup> so we can share our *Month of Kindness!*

With kindness and love,

Mrs. Clarke
